

Invitation to Walk With Us

Dear Friends, Supporters, and Community Partners,

Mindimo'weyag Story Medicine Institute is a not-for-profit organization committed to advancing Indigenous wellness, cultural knowledge, sacred storytelling, community connection, and healing-centred approaches.

The name *Mindimo'weyag* speaks to the strength, wisdom, and responsibility of women, grandmothers, and community members who help hold families and communities together. Guided by this spirit, our organization is working to create spaces where Indigenous stories are honoured, cultural knowledge is protected, and people can reconnect with identity, land, ceremony, and community.

As a growing not-for-profit organization, we invite you to **walk with us on this journey**.

Your donation will help us strengthen our organizational foundation and support the development of community-based initiatives, cultural and educational gatherings, land-based activities, story medicine projects, and opportunities that centre Indigenous voices and lived experiences.

Every contribution, regardless of size, represents an investment in Indigenous knowledge, community healing, cultural continuity, and the generations yet to come.

Mindimo'weyag Story Medicine Institute is not currently a registered charity. Although we are grateful to accept donations, we are unable to issue official charitable tax receipts at this time. Donors will receive a written acknowledgement of their contribution.
